CERVICAL SPINE SURGERY

Course Directors
Prof Mehmet Zileli, Prof Fahir Özer
Prof Adnan Dagcınar, Prof Umit Sehirli, Assoc Prof Yahya Guvenc

2022 **08-09**
JANUARY

Day 1: Anterior Cervical Approaches

Institute of Neurological Sciences Conference Hall

08:30-09:00 : Opening

09:30-12:00 : Faculty of Medicine Conference Hall

| TIME | TITLE | SPEAKER |
|-------------|--|---|
| 09:30-09:45 | Anterior Cervical Region Anatomy | Ural Verimli |
| 09:45-10:00 | Anterior approaches to upper cervical spine (transoral, anterolateral retropharyngeal, transmandibular, transmaxillar (Le Forte) approaches) | Mehmet Zileli |
| 10:00-10:15 | Anterior odontoid screw fixation | Tunc Öktenoğlu |
| 10:15-10:30 | Management of injury to esophagus, trachea and carotid artery | Tunc Lacin |
| 10:30-11:00 | Coffee break | |
| 11:00-12:30 | Cadaver Lab 1 (anterior upper cervical dissection) | All |
| 12:30-13:30 | Lunch break | |
| 13:30-13:45 | Anterior foraminotomy and discectomy | Yahya Guvenc |
| 13:45-14:00 | Anterior cervical corpectomy, uncinete resection, anterior osteotomy | Serdar Ozgen |
| 14:00-14:15 | Anterior plating techniques and biomechanics | Ender Ofluoglu |
| 14:15-14:30 | Vertebral artery release | Kemal Koc |
| 14:30-15:00 | Coffee break | |
| 15:00-16:30 | Cadaver Lab 2 (anterior lower cervical dissection) | All |
| 16:30-17:30 | Video presentation and case discussion | Salim Senturk Numan Karaaslan Adnan Demirci |
| 19:00 | Dinner | |

Day 2: Posterior Cervical Approaches

Faculty of Medicine Conference Hall

| TIME | TITLE | SPEAKER |
|-------------|--|--|
| 09:30-09:45 | Posterior Cervical Region Anatomy | Ural Verimli |
| 09:45-10:00 | Posterior approaches to upper cervical spine (midline posterior, transcondylar, lateral cervical approaches) | Fahir Ozer |
| 10:00-10:15 | Occipitocervical and condyle fixation | Onur Ulu |
| 10:15-10:30 | C1-C2 posterior fixation (C1 lateral mass, C1 and C2 pedicle, pars, translaminar screws) | Salman Sharif |
| 10:30-11:00 | Coffee break | |
| 11:00-12:30 | Cadaver Lab 3 (posterior upper cervical dissection) | All |
| 12:30-13:30 | Lunch break | |
| 13:30-13:45 | Posterior cervical foraminotomy | Ali Dalgıç |
| 13:45-14:00 | Laminoplasty vs laminectomy plus fusion | Serdar Kahraman |
| 14:00-14:15 | Lateral mass screw fixation and cervical pedicle screw fixation | Serkan Simsek |
| 14:15-14:30 | Posterior Cervical Osteotomy | Onur Yaman |
| 14:30-15:00 | Coffee break | |
| 15:00-16:30 | Cadaver Lab 4 (posterior lower cervical dissection) | All |
| 16:30-17:30 | Video presentation and case discussion | Doga Ugurlar Fatih Akbulut Yener Sahin Onur Erdogan |

Registration fee: 750 \$
Registration: events@brosgroup.net

Course Organiser: Marmara University
Prof. Ibrahim Ziyal, Prof. Adnan Dagainar, Prof. Umit Sehirli, Prof. Fatih Bayrakli,
Prof. Ferhat Harman, Assoc. Prof. Yasar Bayri,
Assoc. Prof. Yahya Guvenc, Asst. Prof. Mustafa Sakar, Asst. Prof. Ural Verimli

Venue: Marmara University Institute of Neurological Sciences,
Marmara University Medical Faculty;
Marmara Üniversitesi Başbüyük Sağlık Kampüsü Başbüyük-Maltepe;
İstanbul-Turkey
